### Sub-Part 4A.1 – Changes of Location

#### **Section 4.2**     Change of Location

- (a) A Change of Location takes place when an institution physically moves its operations from one location to another, where the new location is no more than 75 miles from the former location, and no further instruction is conducted at the former location. In addition to a physical move, there should be appropriate licensing and transfer of students, curriculum, administrative staff, teaching staff, equipment, supplies and records. The new facility should be of sufficient size to accommodate the students transferring locations.
- (b) The Commission considers a relocation of operations to a site more than 75 miles from the institution's current location to be a closure of the existing institution and the establishment of a new institution.

#### **Section 4.3**     Notice and Visit Requirements for a Change of Location

- (a) 30 Days: An Application for Change of Location ([Application #11](#)) must be completed and returned to the Executive Director of NACCAS thirty (30) days prior to the date the school plans on relocating.
- (b) Visit within Six Months: Within six (6) months of the Change of Location, the institution shall undergo an on-site evaluation, in accordance with [Part 3](#) (see page 74) of these Rules, to review the institution's compliance with all NACCAS standards, in accordance with the Change of Location Visit Check List. The visit shall be conducted by a NACCAS staff person and a Practitioner Evaluator. The institution must have available to the evaluation team all of the documents and information listed in the "[Required On-Site Documents](#)" on the NACCAS website. The visit shall be conducted at the school's expense.

#### **Section 4.4**     Additional Requirements for Change of Location

- (a) Notice to Students: Adequate notice of the Change of Location must be afforded students, and the institution shall make a good faith effort to provide for the education of students who are unable to transfer. The institution must give a *pro rata* refund to any student who neither transfers to the new location nor accepts alternate educational options.
- (b) Evaluation Visit: The Commission and its committee shall have the right to order a visit to the school's former location, especially if the school proposes to continue the education of currently enrolled students at the former location. Such on-site evaluations shall be conducted in accordance with [Part 3](#) (see page 74) of these Rules, and any such visit shall be conducted at the school's expense.
- (c) Relocation Across State Lines: Institutions relocating across state lines must meet the requirements of the state to which the school is relocating, must remain in continuous operation, and must re-contract students at no additional expense to the student. For students who transfer, if the new state requires more hours of training for the program or course, the institution may not charge more. If the new state requires fewer hours, the institution shall apply a pro rata refund.

**NACCAS Rules of Practice & Procedure**  
**January 2017**

**Sub-Part 4A.2– Changes of Control**

**Section 4.5**      **Change of Control**

- (a)      30 Days: The New Controlling Owner must complete and return the appropriate Change of Control application and send it to the Executive Director of NACCAS at least thirty (30) days prior to the effective date of the change of control, together with the applicable fee.
- (b)      Within 6 Months: The Commission shall carry out a visit (announced or unannounced) at the institution within 6 months after the effective date of the Change of Control.
- (c)      When a Change of Control takes place, if the application for a Change of Control is not received, the accreditation of the institution shall have been relinquished (1) in accordance with [Section 8.13\(c\)\(2\)](#) (see page 119) of these *Rules* or (2) the date the New Controlling Owner states, in writing, the intention of not continuing as an accredited institution, whichever comes first. An accredited institution that is undergoing a Change of Control and that submits the required application when due shall remain in accredited status until such time as NACCAS denies the application and the institution subsequently fails to appeal or has exhausted its appeal rights.

**Sub-Part 4A.3 – Addition of Campuses**

**Section 4.6**      **Additional Location**<sup>5</sup>

- (a)      Definitions:
  - (1)      A “main campus” is a school of career arts and sciences that has been accredited by NACCAS for the two (2) most recent years (and is not currently accredited as an additional location of another accredited institution). Any change in location of the main campus must comply with the procedures set out in [Sub-Part 4A.1](#) (see page 82) of these *Rules*. The main campus includes facilities located within a two (2) mile radius of the primary training site.
  - (2)      An “additional location” is an additional training location of the main campus that provides the same administrative services as the main campus.
- (b)      A school seeking to have an Additional Location approved within the accredited status of the main campus (school) must formally request such approval from the Commission by filing an application for initial Additional Location ([Application #3](#), [Application #16A](#) and [Application #16B](#) found on the NACCAS website under “Applications and Forms”)

---

<sup>5</sup> During the period following establishment of an additional location, and until provisional additional location accreditation is granted, the institution must notify its students that the additional location is not accredited. If the main campus is certified to participate in federal student financial assistance programs, that certification does not extend to any additional location; the additional location must be accredited and be certified separately by the U.S. Department of Education before any federal student financial assistance may be disbursed to students at the additional location.

**NACCAS Rules of Practice & Procedure**  
**January 2017**

and undergoing a two-tiered review process. Schools seeking such approval must do the following:

- (1) Comply with the [Description of Separate Facilities](#) (see Appendix #10, page 211);
  - (2) Be licensed, open and operating prior to submitting an application for provisional additional location accreditation;
  - (3) Must offer only complete program(s) that meet state requirements.
- (c) Acquisition of Existing School Teaching Programs Unrelated to Programs Offered at the Main Campus. If an accredited school acquires an existing school for which it wishes to seek provisional additional location accreditation, and the acquired school offers one or more programs not related to any approved program at the (prospective) main campus (a “legacy” program), the following applies:
- (1) If the newly-acquired additional location was accredited by NACCAS at the time of its acquisition (i.e., under its former ownership) and offers at least one complete program related to the programs offered at the (new) main campus, the additional location may continue to offer the “legacy” program as a NACCAS-approved program.
  - (2) If the newly-acquired additional location was not accredited by NACCAS at the time of its acquisition and/or has no program related to the programs taught at its (new) main campus, the additional location must either:
    - (a) Cease to teach the “legacy” program immediately, and make appropriate provision for teach-out of the affected students; or
    - (b)
      - (i) Petition the Commission for approval to continue to teach the “legacy” program solely for the purpose of teaching out the students already enrolled in the program at the time it received provisional accreditation and, if the institution wishes to continue to offer the “legacy” program to new students, (ii) submit an application for addition of new program (see [Section 4.9](#), see page 87) with its application for initial additional location accreditation and undergo its first additional location evaluation visit before it is granted provisional accreditation, so that both applications may be considered by the Commission at the same time.
- (d) Visits to Additional Locations and Institutional Self-Study. Except as provided in Section 4.6(k), see page 85:
- (1) **Institutional Self-Study:** An institutional self-study for an institution seeking provisional additional location accreditation shall be submitted simultaneously with (and shall be a required exhibit to) the institution’s Application for Initial Additional Location.

**NACCAS Rules of Practice & Procedure**  
**January 2017**

- (2) Visit within 6 months: Within six (6) months after provisional Additional Location accreditation status is granted the institution shall undergo a regular on-site evaluation.
- (e) Establishment of an Additional Location by a New Owner. In the event of a Change of Control of a main campus, a new Additional Location may not be established off the main unless the New Controlling Owners have completed the Change of Control process including an on-site evaluation, review and approval by the Commission.
- (f) Change of Control of an Additional Location. In the event that an Additional Location is sold and/or transferred independently of the main facility, the accreditation of such Additional Location is terminated as of the date of such sale or transfer. An application for accreditation may be submitted to the Commission should accreditation be terminated under such circumstances. The application must be consistent with requirements for an initial applicant or an Additional Location of another facility.
- (g) Change from Additional Location to Freestanding Institution. In order for an Additional Location to become an accredited freestanding institution, such Additional Location must have achieved full Additional Location status and must otherwise meet the definition of a “Main Campus.”
- (h) Re-designation of Main Campuses as Additional Locations. In order for a main campus (or campuses) to be re-designated as Additional Locations of another main campus, the campuses must comply with the requirements for an Additional Location set out in [Sections 4.6\(a\)](#) (see page 83) and [\(b\)](#) (see page 83) of these *Rules*.
- (i) Shifting the Designation of a Main Campus and its Additional Location. An institution may request a re-designation of a main campus as an Additional Location and its Additional Location as a main campus if the Additional Location has achieved full Additional Location status and otherwise meets the definition of a “Main Campus.”
- (j) Additional Location-to-Additional Location Re-Designation. An institution may request that an Additional Location of a main campus be re-designated as an Additional Location of a different main campus under the same Ownership.
- (k) Renewal of Accreditation. The anniversary date of an additional location and its main campus shall coincide.<sup>6</sup>
- (l) Accreditation of Main Campus and Additional Locations Currently Accredited by another Accrediting Agency.
- 1) If an institution in good standing with another accrediting agency is granted initial accreditation by NACCAS, the institution may immediately seek provisional

---

<sup>6</sup> If an Additional Location or a main campus is granted a shorter period of accreditation, the main and all Additional Locations will have the same shortened period of accreditation.

## NACCAS Rules of Practice & Procedure January 2017

accreditation as an additional location for any of its then-existing additional locations that are also in good standing with the other accrediting agency.

- 2) The existing additional locations shall (i) submit an institutional self-study at the same time as the main campus submits its Application for Initial Additional Location, (ii) undergo an on-site evaluation at the same time as the initial accreditation visit for the main campus (i.e., prior to the grant of provisional Additional Location accreditation) and (iii) undergo a regular on-site evaluation within 6 months of receiving Additional Location accreditation.
  
- (m) **Loss of Main Campus Accreditation.** Additional Locations are accredited solely within the accredited status of their main campus, not as freestanding institutions. If a main campus ceases to be accredited for any reason, the accreditation of its Additional Location is lost, without the requirement of any action by the Commission, on the effective date of the main campus' loss of accreditation. This is not an appealable action of the Commission. The Additional Location may apply for accreditation as a freestanding institution at any time it meets the general eligibility requirements for such accreditation.

### **Sub-Part 4A.4 – Substantive Additions and Changes to Program Offerings**

#### **Section 4.7      Definitions**

- (a) The following additions or changes to program offerings are substantive:
  - (1) A program is added in a subject matter area not already covered by a NACCAS-approved program at the institution. Example: The school adds an instructor training program;
  - (2) A program is added that requires a separate state license. Example: All approved programs are licensed by a State Board of Barbering and Cosmetology when the school adds as massage program licensed by the State Board of Health.
  - (3) The length of a program already approved by NACCAS is increased or decreased more than 25% and including all additional requests for increases or decreases less than 25%.
  - (4) The school combines into one program those complete programs previously approved by the Commission and the total length for the new combined course is the same, longer, or shorter than the sum of length for the individual measurement.
  - (5) A change in the way the length of a program is measured, such as change from clock hours to credit hours, or competency-based academic measurement.
  - (6) A change in the way a program is delivered. (Examples: School-based program converts to online modality; approved program is offered in a new language).

#### **Section 4.8      Measurement of Academic Programs and Conversions**

## NACCAS Rules of Practice & Procedure January 2017

A school may measure academically in terms of clock hours, credit hours or competencies. The burden of establishing the educational validity of any measurement values assigned rests with the institution. Those institutions that desire to initially measure in terms of credit hours, or desiring to convert from clock hours to credit hours, or the reverse, must secure approval from the Commission in accordance with NACCAS' [Procedures Governing Measurement of Academic Programs](#) (see Appendix #4, page 147).

### **Section 4.9      Approval Procedure for Substantive Additions or Changes to Program Offerings**

- (a) NACCAS approves programs offered by institutions within the aegis of institutional accreditation granted. Substantive additions or changes to program offerings that were not approved during an institution's most recent initial or re-accreditation evaluation may not be advertised (unless approved under the Test Market Exception, detailed below) or offered until they are approved in accordance with the procedures established in this Section and the NACCAS Procedure for Addition or Change of a Substantive Program (see page 176, [Appendix #6](#)).
  - (1) Test Market Exception: An institution may advertise a maximum of one new program a year before it receives approval from NACCAS. However, the program must comply with the following:
    - (a) Be advertised in accordance with NACCAS [Policy on Advertising](#) (see page 22);
    - (b) An application for approval must be submitted within 15 days of the start of the first class; and
    - (c) Subsequent class starts must have received NACCAS approval.

In all other particulars, the course is subject to this section of the *Rules* and related sections, policies, and accreditation requirements.

- (b) Before the substantive new or changed program is offered: Prior to the scheduled beginning of the first class enrolled in the substantive new or changed program, the institution must submit the appropriate application and fee to NACCAS and obtain approval by the Commission.
- (c) The Executive Director of NACCAS shall send the application to two outside program evaluators, in accordance with [Section 3.3\(d\)](#) (see page 77) of these *Rules* and the Procedure for Addition or Change of a Substantive Program who will recommend to the full Commission whether or not the program complies with requirements for final approval and inclusion under the aegis of institutional accreditation already granted to the applicant.

## NACCAS Rules of Practice & Procedure January 2017

### **Section 4.10**     **Prior Notice of Substantive Changes; Unforeseeable Events**

Notwithstanding anything in this Sub-Part 4A to the contrary, but subject to the notification requirements of [Section 5.3](#) (see page 97) of these Rules, the Executive Director shall have the authority to waive any prior notice requirement for a substantive change under this Sub-Part 4A where prior notice of the change was not possible (e.g., death of an owner) and the institution notified NACCAS within 90 days after the occurrence of the change (or earlier, if required by Section 5.3).

### **Sub-Part 4A.5 – Other Changes**

### **Section 4.11**     **Change in Participation in Federal Student Financial Assistance Programs Established under Title IV of the Higher Education Act of 1965, as Amended**

- (a) The accreditation granted by NACCAS allows institutions to apply for participation in federal student financial assistance programs.
- (b) Within 30 days of ending Title IV participation: An institution that withdraws or is terminated from participation in federal student financial assistance programs established under Title IV of the Higher Education Act of 1965, must submit an application for change in the purpose of its accreditation, within 30 days of the change. This application must be accompanied by an eighteen-month business plan,<sup>7</sup> in accordance with NACCAS' requirements (see [Appendix #11B](#), see page 214), indicating how the institution will sustain programs and operations which meet NACCAS' accreditation standards.

### **Section 4.12**     **Teach-Out and Teach-Out Agreements**

- (a) Submission of Teach-Out Plans and Agreements. An accredited institution:
  - (1) Must submit a Teach-Out Plan and associated Teach-Out Agreement(s) for approval by the Commission, not later than 15 days following the occurrence of a Teach-Out Event (see page 35, [Policy IV.05](#)); provided, however that in the event of the closure of an institution, the plan and agreement(s) must be submitted at least 30 days prior to the closure date;
  - (2) Must submit any other Teach-Out Agreement entered into other than that which is required by Section 4.12(a)(1) see above, for approval by the Commission, not later than 15 days after entering into such agreement;
  - (3) Must submit a Teach-Out Plan and, if the Teach-Out Plan includes entering into a Teach-Out Agreement with another institution, a draft Teach-Out Agreement (i.e., a template Agreement, not with any specific institution) for review by the Commission not later than 15 days following receipt of notice from the

---

<sup>7</sup> The 18-month business plan for schools that cease Title IV participation covers the 18 months from:

- a. the date on which the school's withdrawal from Title IV is effective, or

Commission that the institution has been assigned the accreditation status of “Accreditation on Probation.” A favorable determination by the Commission will not constitute approval of the final Agreement, and does not excuse the institution from undergoing review and approval of the final Agreement, as required by this Section 4.12, in the event that a Teach-Out Event occurs.

- (4) May submit a Teach-Out Plan and, if applicable, an associated Teach-Out Agreement entered into other than as required by Section 4.12(a)(1), see page 89, for approval by the Commission, at any time.
- (b) **Submission Materials:** In seeking approval of a Teach-Out Plan and/or Teach-Out Agreement(s), the institution must provide the Commission with:
- (1) A copy of the Teach-Out Plan and any associated Teach-Out Agreement(s) (see page 35, [Policy IV.05](#));
  - (2) A copy of the enrollment agreement for each institution that will receive students under the Teach-Out Agreement;
  - (3) A copy of the catalog of each institution that will receive students under the Teach-Out Agreement;
  - (4) Additional information, if any, requested by the Commission after items (1) through (3) have been received.
- (c) **Advisory Opinion:** Institutions may submit draft versions of the Teach-Out Agreement to the Commission for an advisory opinion prior to the Agreement being finalized. A favorable opinion by the Commission will not constitute approval of the Agreement, and does not excuse the institution from undergoing the review and approval process once the final Agreement has been executed.
- (d) **Teach-Out Institution.** The Commission shall not approve any Teach-Out Agreement unless it has determined that each institution to which students are to be transferred to complete their programs:
- (1) Has the necessary experience, resources, and support services to:
    - (a) Provide an educational program that is of acceptable quality and reasonably similar in content, structure, and scheduling to that provided by the institution that is ceasing operations or terminating the applicable program; and
    - (b) Remain stable, carry out its mission, and meet all obligations to existing students; and
  - (2) Provide students access to the program and services without requiring them to move or travel substantial distances, and that it will provide students with information about additional charges, if any.
- (e) **Notification of Closure:** When an institution party to a Teach-Out Agreement learns that another party to the Agreement plans to close, or has closed, it shall notify NACCAS within ten (10) days of learning of the closure.

**NACCAS Rules of Practice & Procedure**  
**January 2017**

- (f) Closed Institution. If an institution accredited by NACCAS closes without a Teach-Out Plan or Teach-Out Agreement, NACCAS shall work with the U.S. Department of Education and the appropriate State agency, to the extent feasible, to assist students in finding reasonable opportunities to complete their education without additional charges.
- (g) In the event that, pursuant to [Section 4.12\(a\)](#) (see page 88) of these *Rules*, the Commission approves a Teach-Out Plan or Teach-Out Agreement that includes a program that is accredited by another recognized accrediting agency, NACCAS shall notify the other accrediting agency of its approval.
- (h) For purposes of these Rules, the term “Teach-Out Event” shall mean the occurrence of any one or more of the following events involving a NACCAS-accredited institution:
  - (1) The U.S. Department of Education notifies the Commission that the Secretary of Education has initiated an emergency action against the institution, in accordance with section 487(c)(1)(G) of the Higher Education Act (or a successor statute)(the “HEA”), or an action to limit, suspend, or terminate an institution participating in any title IV, HEA program, in accordance with section 487(c)(1)(F) of the HEA (or a successor statute), and that a Teach-Out Plan is required.
  - (2) The Commission acts to withdraw the accreditation of the institution.
  - (3) The institution notifies the Commission that it intends to cease operations entirely.
  - (4) A State licensing or authorizing agency notifies the Commission that an institution's license or legal authorization to provide an educational program has been or will be revoked.

**Part 4A.6 – Commission Actions on Substantive Changes**

**Section 4.13      Commission Action on Substantive Changes**

With respect to applications for substantive changes under this Part, the record for the application will be taken up and considered by the full Commission.

- (a) The Commission may receive recommendations from the Executive Director and/or a designated committee.
- (b) The full Commission may approve the change, and continue the institution’s accreditation or take any of the actions set out in [Part 8](#) (see page 112) of these *Rules*. Such approval may be given prior to the effective date of the change for which approval by the Commission is sought; provided, however, that:
  - (1) Such approval shall be subject to such stipulations as the Commission shall deem appropriate (including the stipulation that the change occur not later than a fixed date); and
  - (2) The effective date of such approval shall be the date on which such stipulations are met, and shall in no case be retroactive.

**NACCAS Rules of Practice & Procedure**  
**January 2017**

- (c) Deny Approval: A denial of approval of a change under this Part is appealable in accordance with [Part 9](#) (see page 126) of these *Rules*.
