Standard VIII – Instructional Space and Facilities

The institution provides equipment, instructional and laboratory space, and other physical facilities that are adequate for instructional needs and meet professional standards of safety and hygiene.

O 1. Instructional areas allow for effective delivery of instruction.

O/A 2. Instructional space is equipped to accommodate the numbers of students assembled at one time.

O 3. The institution meets applicable fire, building, health, ventilation, heating and safety requirements, in particular:
   a. Sanitary drinking water is available;
   b. Sanitary lavatories have hot and cold running water;
   c. Relevant instructional equipment has hot and cold running water;
   d. Appropriately located fire extinguishers are maintained in operable condition;
   e. Electrical service is adequate to serve institution needs;
   f. Emergency evacuation plans are known to staff and students; and
   g. Sanitary conditions of space, equipment and product are maintained.

O 4. Classrooms and service facilities are used exclusively for training. Classroom facilities may be used for other educational business outside of published school business hours.

O 5. A sign indicating clearly that all services are performed by supervised students is posted in a place easily seen by all service customers.

O 6. When a professional service facility or other business entity and an institution are under the same ownership or otherwise associated, separate operation of each entity is maintained.

O 7. The name clearly identifies the institution as an educational institution.

O 8. The name of the institution appears on permanent affixed sign visible from the exterior of the institution, using the institution’s approved official or alternate name.
