Carol Orsini's experience with the National Accrediting Commission of Career Arts & Sciences, Inc., (NACCAS) spans a period of 12 years, including being a Program Manager in the Accreditation Department from July 2009 to present. She previously served as Program Manager, from September 2004-May 2008, and was promoted from Senior Accreditation Specialist and served in this position from December 2003-September 2004, and also served as an Accreditation Specialist from March 1998-December 2003. From May 2008 through July 2009, she served as a Field Quality and Accreditation Specialist for EEG, Inc. (dba Empire Beauty School). She traveled 90 percent for this position and was responsible for oversight of compliance and regulatory affairs that included a territory of 21 campuses in 7 states for federal, state, local, employment, and internal EEG regulations. Other professional experience included working in Paris, France at Clearwater/Copers, as a recruiter/consultant trainee, as a legal assistant in a law firm in Washington, DC, and event planning and cultural awareness training with international professionals and graduate students in Washington, DC at two NGOs, and as an administrative assistant in the international department of a nonprofit organization in Bethesda, Maryland.
