

Eric Hurst - Financial Analyst  
Extension, 130

Associate Degree in Accounting from Harford Community College 1993

Eric Hurst has been employed with the National Accrediting Commission of Cosmetology Arts & Sciences, Inc. (NACCAS) since January 2009. His responsibilities include collecting and reviewing financial statements for all NACCAS accredited schools and schools applying for initial accreditation. Analyzed the schools' financial statements utilizing the DOE composite score formula as well as ratios defined by NACCAS' *Standard VII*. He maintains records of schools that did not meet the financial standard and when they were placed on financial reporting requirements by the commission. He up-dates the CRM database showing which schools have come into compliance and had reporting requirements removed, as well as which schools exceeded deadlines to come into compliance and had their accreditation withdrawn.

Prior to joining NACCAS, he worked as a bookkeeper for a company with as many as 10 restaurant franchises for 15 years.
