

Khairi Scott – Accreditation Analyst

Extension 125

Bachelor of Science in Biology – Lincoln University

Khairi Scott began his NACCAS career as an Accreditation Analyst in February 2017. Prior to coming to NACCAS, Khairi spent two years working as a Research Technician in Biological Science and one year as a Science & Engineering teacher. Khairi is a member of Alpha Phi Alpha Fraternity Incorporated and serves a hospice volunteer at Compassus Hospice. In his spare time, Khairi enjoys teaching, community service, reading, and watching sports. If he could choose one word to describe himself he would say “servant.”
