

Margot Campbell, Accreditation Manager for General Operations
Extension, 191

Margot Campbell joined NACCAS on June 11, 2012 as the Accreditation Manager for General Operations. Margot holds a Bachelors of Science in Communication and Certificate in Public Relations from the University at Buffalo. Ms. Campbell has worked in the for-profit industry for over 7 years as a human resources professional with a special interest in the areas of organizational and employee development, administration, and diversity and inclusion. She is an organized and resourceful professional with an innate ability to think both strategically and creatively. In her spare time she volunteers with non-profit social and professional organizations, travels, and spends time with family.
