This is an invitation for you to participate in our regular evaluation of NACCAS's *Standards and Criteria*. As you know this is an essential process as we continue to monitor our *Standards and Criteria* with which our schools must be in compliance. The Commission reviews the information gathered from the results of this survey and determines areas to consider for revision, as needed.

With that goal in mind we invite you to review and comment on Standards III and IV.

Standard III covers Administrative Services

Standard IV covers Admissions Policies and Procedures

Please follow [this link](#) to participate in the survey.

It is estimated to take approximately 20 minutes to complete.

The deadline for participation in the survey is October 17, 2014.

Also please take the time to download the flyer by [clicking here](#) and post it where your students can view it. Feedback from students is also very important to our process.

Thank you for taking the time to participate, we value your input.

Please do not hesitate to contact Dr. Tony Mirando at amirando@naccas.org if you have any questions.

Reminder to NACCAS-accredited schools: Your school's email address may be important to NACCAS as a part of the requirement that you are able to receive all official communications relevant to your accreditation.
