Dear School Owners & Interested Parties:

Few processes within NACCAS' scope are as vital as the student outcome rates contained in the annual report. Accordingly, it is critical that all institutions calculate their 2015 outcome rates accurately and in accordance with NACCAS' [2015 \(Data\) Annual Report Instructions](#).

As noted previously in an email blast sent out September 9, 2016, NACCAS will be offering two annual report webinars, as detailed below:

- Date: Thursday, September 22, 2016
