**Dear School Owner and Interested Party:**

Few processes within NACCAS' scope are as vital as the student outcome rates contained in the annual report. Accordingly, it is critical that all institutions calculate their 2013 outcome rates accurately and in accordance with NACCAS' [2013 \(Data\) Annual Report Instructions](#).

In order to assist our member institutions with their upcoming 2013 (Data) Annual Reports, NACCAS will be offering a second annual report webinar, as shown below:

#### **Annual Report 201**

- Description: This class will provide participants with changes made to this year's annual report, common errors schools make in completing the annual reporting process, and will review in detail NACCAS' requirements for placement documentation.
- Date: Thursday, October 23rd, 2014
- Time: 2:30 EDT
- To register for this webinar, [click here](#).

For those unable to be present, we will post a recording of the webinar to our website following its completion. All webinars are free and open to any and all interested parties. (Note: If you are not attending as a representative of a school, simply answer "N/A" to the registration questions of "School Name" and "Reference Number.")

If you have any questions regarding the webinar registration, please contact Alicia Williams at [awilliams@naccas.org](mailto:awilliams@naccas.org). If you have any questions regarding the content of the webinars, please contact Jason Tiezzi at [jtiezzi@naccas.org](mailto:jtiezzi@naccas.org). We hope to see you there!
