Dear School Owner:

The supplemental filing of the 2014 (data) Annual Report is now open for submissions! The supplemental filing is an optional report that gives institutions additional time to place and/or license late graduating students (see below for further details). Complete instructions for the supplemental filing of the 2014 (data) Annual Report are available [here](#).

The supplemental filing is optional: The supplemental filing represents an opportunity for institutions to provide further information with respect to their 2014 placement and licensure rates. Please note, however, that an institution is not (under any circumstances) required to submit a supplemental filing to NACCAS.

The supplemental filing is due May 31, 2016: The supplemental filing of the 2014 (data) Annual Report is due no later than May 31, 2016, although it may be submitted at any point from March 9, 2016 through May 31, 2016. As the supplemental filing is optional, there is no late penalty associated with failure to submit prior to May 31, 2016. NACCAS will not, however, accept supplemental filings received after the May 31st deadline.

Only eligible institutions may submit a supplemental filing: In order to be eligible to submit a supplemental filing of the 2014 (data) Annual Report, an institution must meet both of the following criteria:

1. The institution must have indicated in its electronic 2014 (data) Annual Report that it intended to retain the option of submitting a supplemental filing.

AND

2. The institution must have submitted its original 2014 (data) Annual Report in a timely manner.

Assistance is available: If you have any questions or comments regarding the supplemental filing, please contact Jason Tiezzi at (703) 600-7600, ext. 155 or via email at jtiezzi@naccas.org.

Reminder to NACCAS-accredited schools: Your school's email address may be important to NACCAS as a part of the requirement that you are able to receive all official communications relevant to your accreditation. Before you unsubscribe make sure that NACCAS has a valid email address for your school.
