- a) **If your institution is participating in Title IV programs with the US Department of Education (USDOE):** A copy of your institution's most recent / current Eligibility and Certification Approval Report (ECAR) from the USDOE. Please note that the ECAR is approximately eight pages long and contains general information regarding the institution's location, approved programs, ownership, etc. If your institution is not currently participating in Title IV programs with the USDOE, then you will **not** have an ECAR.
- b) If your annual report combines data from a main campus and additional locations, please provide NACCAS with a spreadsheet or chart which shows the **overall data** from each campus' graduation, placement and licensure rates. This data does **not** need to include student names, nor does it need to be separated by program (i.e., it can be provided in aggregate for each campus). Please see the example in Appendix A for details regarding what such a chart might look like. This chart/spreadsheet will only be used for purposes of annual report verification at both main campuses and additional locations.
- c) A copy of your annual report cohort grid(s) or equivalent alternatives, **only** if your institution wishes to retain the option of submitting a supplemental filing of the 2013 (data) Annual Report. If you do not intend to complete a supplemental filing, then your institution is **not** required to upload its cohort grids.
- d) All correspondence concerning any outstanding liabilities, unresolved findings or adverse determinations from the US Department of Education and/or the Office of Inspector General **(if applicable)**.
